Hamaton H47 TPMS Tool with OBDII and 20 U-Pro Hybrid Sensors (Bundle) - Snap-in Valve

SKU: HAM-B034

New H47 TPMS Tool with OBDII and 20 U-Pro Hybrid Sensors (Bundle) - Snap-in Valve. Comes with 20 sensors

Interchangeable Part Numbers:
H47 Unit Only - 72-20-680

MT-RSR Insights:
The H47 packs an abundance of features, including integrated OBDII module into a compact, ergonomic design.

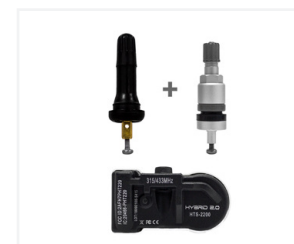

Hamaton H47 TPMS Tool with OBDII and 12 U-Pro Hybrid Sensors (Bundle) - Snap-in Valve

SKU: HAM-B030

New H47 TPMS Tool with OBDII and 12 U-Pro Hybrid Sensors (Bundle) - Snap-in Valve. Comes with 12 sensors

Interchangeable Part Numbers:
H47 Unit Only - 72-20-680

MT-RSR Insights:
The H47 packs an abundance of features, including integrated OBDII module into a compact, ergonomic design.

Hamaton Hybrid 2.0 Dual Valve Dual-Frequency TPMS Sensor

SKU: HAM-A66DD

Dual Valve U-Pro 2.0 Hybrid Dual Band 315-433 - Programmable/Configurable Technology. Compatible With: 97% of direct TPMS-enabled vehicle coverage with 100% potential due to continual programmable updates

Interchangeable Part Numbers:
21360, 5624132

MT-RSR Insights:
The only single SKU solution. Configure and program sensor in 1-3 and 7-10 seconds respectively - the fastest times on the market.

Hamaton TPMS Replacement Sensor HTS-A66DG

SKU: HAM-A66DG

The only dual frequency, configurable and programmable TPMS sensor. 97% of direct TPMS-enabled vehicle coverage with 100% potential due to continual programmable updates.

Interchangeable Part Numbers:
5624128, PREM-ONE

MT-RSR Insights:
Nut Torque: Snap-In
Screw Torque: 12.39in-lbs

Hamaton TPMS Starter Kit 6-352, Contains 64 Service Kits

SKU: HAM-6352

This TPMS Starter Kit contains four (4) each of the following sensor service kits: 6-102, 6-108, 6-109, 6-116T, 6-120, 6-127, 6-138, 6-139, 6-211, 6-207, 6-208, 6-210H, 6-201, 6-228, 6231C, 6-240

Hamaton Tool Kit and Carry Case

SKU: HAM-6313

This TPMS Tool Kit comes complete with: Calibrated Torque Tool including: 7mm Hex Socket, 11mm Hex Socket, 12mm Hex Socket, Torx 10 Bit, Torx 15 Bit, Torx 20 Bit, Valve Core Torque Tool, Grommet Removal Tool & T6 Torx Screwdriver,

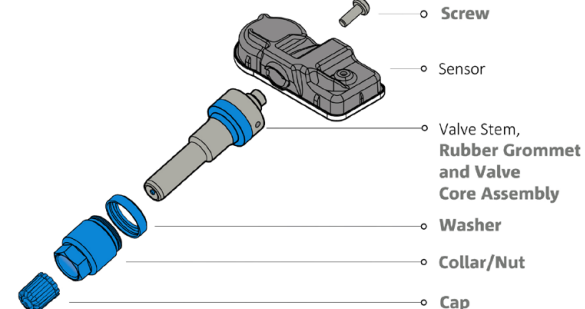

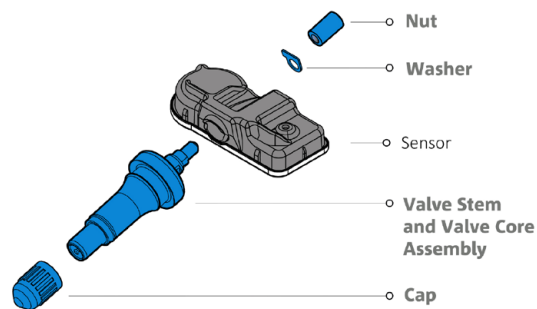

Interchangeable Part Numbers:
72-20-711, 5628538

MT-RSR Insights:
Hamaton's Starter Kits meet the needs of garages and tire bays who service valves, as they contain a comprehensive range of OE and aftermarket replacement parts.

MT-RSR Insights:
This TPMS Tool Kit contains all of the workshop tools required for servicing or replacing TPMS sensors.

Snap-In

Clamp-In

Components that require replacement when servicing sensors are highlighted above in blue.

Hamaton Snap-in Valve for U-Pro Hybrid 2.0

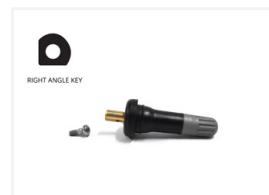

SKU: HAM-6207

Interchangeable Part Numbers:
6-207, 72-20-401, 5628461, 21060, 5026, 20018, VS-950, 5628491, 591320, 92-0145

Chrome Snap-in Valve Stem 10/Box

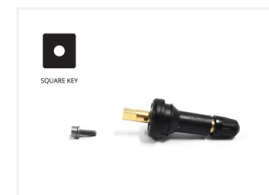

SKU: HAM-6207C

Hamaton TPMS Service Kit 6-210, Pack of 10, Schrader Snap-In Sensor

SKU: HAM-6210

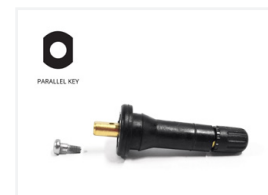

These valves are suitable for use with Schrader Snap-In Sensors. A box of 10 snap-in valves, each include: 1 valve stem, 1 screw and 1 valve cap.

Hamaton TPMS Service Kit 6-211, Pack of 10, TRW Version 4 sensor

SKU: HAM-6211

Interchangeable Part Numbers:
72-20-437, 21636, 20635, VS-65, 5628534

Hamaton TPMS Service Kit 6-213, Pack of 10, Schrader Rev 4

SKU: HAM-6213

Interchangeable Part Numbers:
72-20-470, 21774, 5036

Box of 10 Replacement Snap-in Valves for Cub/Smart Sensor 17-43016

SKU: HAM-6215A

Hamaton TPMS Service Kit 6-216, Pack of 10, Schrader Rev 4

SKU: HAM-6216

Interchangeable Part Numbers:
72-20-448, 5628489, 21051, 5024, 66086-67, VS-925A

Hamaton TPMS Service Kit 6-218, Pack of 10, VDO MB

SKU: HAM-6218

Interchangeable Part Numbers:
72-20-445, 21038, 5015, 1098K, 591322

Hamaton TPMS Service Kit 6-201, Pack of 10, VDO TG1B

SKU: HAM-6201

Interchangeable Part Numbers: 72-20-453, 5628496, 21765

Hamaton TPMS Service Kit 6-231C, Pack of 10

SKU: HAM-6231C

Interchangeable Part Numbers:
72-20-482, 5628580, 21117, 5628475, VS-70, 591326

High Speed Dual Fitment Clamp-in Valve for U-Pro Hybrid 2.0

SKU: HAM-6266

Interchangeable Part Numbers:
21707UP, 34000

Hamaton Black High Speed Dual Fitment Clamp-in Valve for U-Pro Hybrid 2.0 (10 Pack)

SKU: HAM-266BK

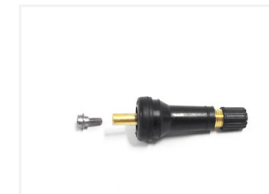

Interchangeable Part Numbers:
21707UP, 34000

Hamaton TPMS Replacement Valve 6-503, Pack of 10

SKU: HAM-6503

Interchangeable Part Numbers:
72-20-481, 5628748

Hamaton TPMS Replacement Valve 6-507, Pack of 10

SKU: HAM-6507

A box of 10 snap-in valves, with each including 1 valve stem, and 1 valve cap.

Hamaton TPMS Service Kit 6-208, Pack of 10, VDO TG1D

SKU: HAM-6208

Interchangeable Part Numbers:
72-20-440, 5628741, 21761, 20043, VS-90

Box Of 10 Short Snap-in Valves for Schrader Gen 4

SKU: HAM-TPS412

Interchangeable Part Numbers:
17-50398 TPMS 412

Autel MX Sensor Rubber Valve Stem - 4PK

SKU: MX-Sensor

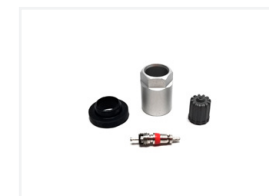

Fits: Autel MX-Sensors.

Hamaton TPMS Service Kit 6-102, Pack of 10, Schrader Gen J

SKU: HAM-6102

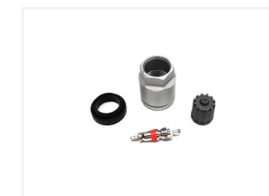

Interchangeable Part Numbers:
72-20-523, 20004, 5030, 1070K, 591303, 92-0125

Hamaton TPMS Service Kit 6-103, Pack of 10, Schrader Gen 2/3

SKU: HAM-6103

Interchangeable Part Numbers:
72-20-564, 20003, 1080K, 591304, 92-0140

Hamaton TPMS Service Kit 6-104, Pack of 10, Schrader Gen 2/3

SKU: HAM-6104

Interchangeable Part Numbers:
72-20-565, 20002, 1060K, 591302, 92-0115

Hamaton TPMS Service Kit 6-108, Pack of 10, VDO TG1B

SKU: HAM-6108

Interchangeable Part Numbers:
72-20-550, 21102, 20030, 1050K, 591301, 92-0150

Hamaton TPMS Service Kit 6-109, Box of 10, HUF Gen 2 Sensor

SKU: HAM-6109

Interchangeable Part Numbers:
72-20-551, 21032, 20021, 2000K, 591309, 92-0246

Hamaton TPMS Service Kit 6-110, Pack of 10, HUF Sensor

SKU: HAM-6110

Interchangeable Part Numbers:
72-20-520, 5628454, 21106, 20023, 1090K, 591305, 92-0261

Hamaton TPMS Service Kit 6-111, Pack of 10, Huf Gen 2 Sensors

SKU: HAM-6111

Interchangeable Part Numbers:
72-20-552, 21029, 20032, 1100K, 591306, 92-0215

Hamaton TPMS Service Kit 6-112, Pack of 10, Schrader Gen 2/3

SKU: HAM-6112

Interchangeable Part Numbers:
72-20-553, 20005, 1130K, 591308, 92-0130

Hamaton TPMS Service Kit 6-115, Pack of 10, VDO TG1B

SKU: HAM-6115

Interchangeable Part Numbers:
72-20-506, 5628419, 21027, 5007, 65660-KD, 20017, 1030K, 591318, 92-0235

Hamaton TPMS Service Kit 6-116T, Pack of 10 Pacific LFB1/LFC1

SKU: HAM-6116T

Interchangeable Part Numbers:
72-20-525, 21030, 20031, 1110K, 5628533, 591307, 92-0135

Hamaton TPMS Service Kit 6-117, Pack of 10, Pacific LFB1/LFC1

SKU: HAM-6117

Interchangeable Part Numbers:
72-20-555, 21031, 20033, 1120K, 591314, 92-0155

Hamaton TPMS Service Kit 6-118, Pack of 10, Schrader Gen 2/3

SKU: HAM-6118

Interchangeable Part Numbers:
72-20-504, 5628405, 20010, 5004, 65657-KD, 2010K, 6-118F

Hamaton TPMS Service Kit 6-120, Pack of 10, Schrader Gen Alpha

SKU: HAM-6120

Interchangeable Part Numbers:
72-20-557, 21037, 20014, 2030K, 591312, 92-9210

Hamaton TPMS Service Kit 6-122, Pack of 10, Schrader Gen J

SKU: HAM-6122

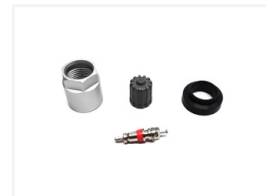

Interchangeable Part Numbers:
72-20-558, 20009, 2010K, 591310, 92-0195

Hamaton TPMS Service Kit 6-125, Pack of 10, TRW Sensors

SKU: HAM-6125

Interchangeable Part Numbers:
72-20-560, 21036, 20015, 2020K, 591311, 92-0220, 92-0190

Hamaton TPMS Service Kit 6-127, Pack of 10, TRW Version 1

SKU: HAM-6127

Interchangeable Part Numbers:
72-20-561, 21138, 20019, 2040K, 591313, 92-0244

Hamaton TPMS Service Kit 6-129, Pack of 10, VDO TG1B

SKU: HAM-6129

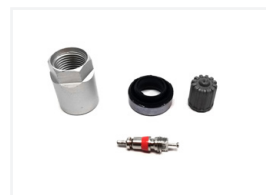

Interchangeable Part Numbers:
72-20-562, 21206, 20017, 1031K, 591317

Hamaton TPMS Service Kit 6-138, Pack of 10, VDO TG1C

SKU: HAM-6138

Interchangeable Part Numbers:
72-20-513, 5628447, 21111, 66070-KU, 7020K, 5628421, 591315, 92-3312

Hamaton TPMS Service Kit 6-139, Pack of 10, VDO TG1C

SKU: HAM-6139

Interchangeable Part Numbers:
21113, 7000K, 5628458, 591316, 92-3311

Nickel Plated TPMS Valve Cores - Red Teflon Seal (Pack of 100)

SKU: HAM-114001

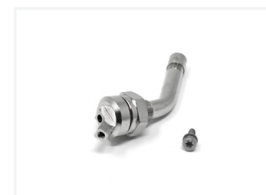

Interchangeable Part Numbers:
1-1400, 72-20-512, 42321-69

Brass Red Teflon Sealing Valve Cores (Pack of 100)

SKU: HAM-114004

High Temp Valve Core - Rated To 200psi. Not for use in TPMS stems!

Replacement Angled Clamp-In Valve for TRW Sensors Pack of 10

SKU: ESC-50170

3 Pcs Spline-Plus Socket Set

SKU: 67800

MT-RSR Insights: The AETEO Twist Socket Set was designed to loosen any nut or wheel lug which cannot be loosened using a standard socket or lug wrench. This tool can remove security nuts and lugs, in addition to damaged nuts or lugs. Due to the unique twist pattern inside the socket, this tool is only useful for a nut or lug with positive threads.

WHEEL ALIGNMENT

Systems and spare parts to align wheels on cars, trucks, and trailers. We make our wheel clamps in house, as well as many of our accessories. The Tru-Line alignment systems are also 100% USA made.

»» Laser System

Tru-Line Truck & Trailer Wheel Alignment System

SKU: TLT-12

MT-RSR Insights:

- TLT-12 Heavy Truck and Trailer Consists of :
- Front Toe Laser Guns
- Rear Targeting
- King Pin Targeting
- Calibration Laser
- Calibration Bar
- Caster Camber Gauge
- Digital Level for Caster on Solid Steer Axles
- Level Compensator, used in non level surfaces
- 2 Wheel/Rim Clamps 17-25"
- Steering Wheel Holder
- Brake Pedal Depressor
- Training Video and Manual
- 2 Year Warranty

Tru-Line Passenger Car and Light Truck system including Accessories

SKU: TL-12 Deluxe

What can the TL-12 Deluxe Laser Wheel Alignment System do?

- Accurate, simple, reliable durable for decades
- No rack required
- Calibrates in the field in seconds
- Surface does not have to be non-level
- Caster, camber, live caster, SAI / KPI
- Toe individual and total toe
- 2 wheel centerline, Thrust angle, and full 4 wheel
- Accurate to 1/64ths inch
- 20 minutes to read entire vehicle
- 100% US made
- Two-year warranty
- Training video and instruction manual
- Runs on D cell batteries
- No cables, computers, or maintenance contracts

Tru-Line Passenger Car Wheel Alignment System (Turntables needed for Pas. Cars)

SKU: TL-12

TL-12 Consists of:

- Front Toe Laser Guns
- Rear Toe Combination Gauges
- Caster/Camber gauge
- Calibration Bar
- 4 Wheel clamps for rims up to 19.5
- Steering Wheel Holder
- Brake Pedal Depressor
- Shipping Weight: 140 lbs.

»» Wheel Clamps

Note: Turntables are required for anything with independent suspensions. Grease Plates or some form of a slip plate is required for smooth adjustments.

Wheel Clamp Extension Plate

SKU: WC550-8

Wheel Clamp Extension Plate (Adds 6" to Current Wheel Clamps).

Includes:

- 8 WC551 (Not sold individually)
- 16 WC559 - Hunter Foot Steel
- 16 WC552 - Hunter Male Adapter

Wheel Clamp Passenger Style Adjustable from 12" to 19" diameter

SKU: 8169

Wheel Clamp Passenger Style Adjustable from 12" to 19" diameter

MT-RSR Insights:

Pairs well with our brake pedal depressor and steering wheel holder. Proudly made in America.

Wheel Clamp Truck Style Adjustable from 16" to 26" diameter

SKU: 8170

Wheel Clamp Truck Style Adjustable from 16" to 26" diameter

MT-RSR Insights:

Pairs well with our brake pedal depressor and steering wheel holder. Proudly made in America.

Wheel Clamp Extension Plate (Set of 4)

SKU: WC550-4

FMC 3 Legs Extender Set for 4 Clamps

Includes:

- 4 WC551 (Not sold individually)
- 8 WC559 - Hunter Foot Steel
- 8 WC552 - Hunter Male Adapter

Brake Pedal Depressor

SKU: 9280

MT-RSR Insights:

This tool is used to depress the brake pedal while you are performing wheel alignments. This tool is quick and easy to adjust. This high-quality, steel construction is proudly made in America. Coated in zinc to prevent rusting. Pair with the 9380 Steering Wheel Holder.

Steering Wheel Holder

SKU: 9380

MT-RSR Insights:

This unit securely centers the steering wheel while the covered hooks and base prevent damage to the steering wheel or seat cover. This tool is very helpful during wheel alignments. 12.5" tall from base to top center. Pair with the 9280 Brake Pedal Depressor.

MT-RSR Insights:

What are Camber Bolts?

Camber adjustment bolts are eccentric bolts that allow you to change the vehicle's camber angle. Camber bolts can be used to adjust the amount of camber (vertical alignment) of a wheel. These bolts can be used to compensate for mis-alignment due to damage to suspension components or to intentionally create camber for an ascetic or performance effect. Camber bolts are a simple but very effective way to eliminate excessive leaning on lowered vehicles. The benefits include longer tire life and better handling.

Wheel Alignment

Proper wheel alignment ensures optimal drivability by keeping your tires lasting longer, resulting in a smoother drive. Keeping trucks and trailers in alignment prolongs tire life, which equals money - bottom line!

Shop our TLT-12, TLT-12 Deluxe, and TL-12 systems that are portable, fast, and easy to use. Align your car and light trucks anywhere with our convenient systems with included accessories. We are proud to sell 100% USA Made Tru-Alignment systems

At MT-RSR, our expertise is under-car equipment parts. We proudly service auto and tire shops across the United States. We machine, in-house, and source only the best parts because they represent us. Starting with our incredible employees to our high-quality materials and our high-tech machines, we strive to deliver quality products.

03

TIRE CHANGERS

OEM and aftermarket spare parts for a wide range of tire changer machines. Mount/Demount heads are available in both nylon and metal as well as their inserts and brackets are just the beginning. Whether you need a new valve, your switch has gone bad, or you need new tire patches, we have a wide selection ready to ship same day. Compatible brands include: Coats, Accuturn, Corghi, Hofmann, FMC, and more.

“ **Your #1 equipment parts experts** ”

JAWS

Shop our collection of jaws ranging from rim clamp jaws to extension clamp jaws. At MT-RSR, we believe spare parts are a tire shop's best friend. Corghi Jaw Protectors, Sicam Jaw Covers, and Quilted Clamp Socks are spare parts that save money and time.

The rigid plastic material on the covers protects the wheels from scraping and gouging. It acts as a barrier between the metal jaws on the machine and the wheels; flexible enough to prevent damage but tough enough to remove tires.

»» Quick Chucks

1" Double Chuck Adapter Set

SKU: 80040K

Interchangeable Part Numbers:

Ammco: 940921, W.Y. International: 80040K

MT-RSR Insights:

Ammco's exclusive Double Chuck Kit has 2 sets of concentric, expanding jaws to grip the center-hole and eliminate the need for cones. Passenger car jaws are permanently mounted on one side and truck jaws on the other side. No need to change jaws out. Fits all popular 1" arbor brake lathes. Handles virtually all hub-less drums and rotors (including composite) through 1 ton vehicles (Range: 2.125" - 5.75"). Choose from only 5 pieces to store and maintain. The weight and mass of the Double Chuck with Backing Plate virtually eliminates chatter and vibration from all hub-less applications, including composite drums and rotors. 75% fewer pieces means less maintenance and minimal replacement costs. Eliminates run-out and set-up problems with its self-centering feature.

Twin Chuck Kit

SKU: 8240

MT-RSR Insights:

The kit comes complete with two separate Quick Chucks one with standard jaws & standard plate and one with large jaws & large plate, plus small plate and Toyota plate. Key Features: No Jaws to change and optimal for shops with 2 or more brake lathes.

Large Jaw Set

SKU: 7041

Fits hub-less rotors & drums with centering holes from 3-3/4" to 5-3/4". Pair with 7040 Quick Chuck Adapter. The adapter's range is 2-1/4 to 3-3/4". This set expands that range to 2-1/4 to 5-3/4".

Quick Chuck Adapter

SKU: 7040

Interchangeable Part Numbers:

Ammco - 70042

MT-RSR Insights:

Do you machine a lot of rotors? This is the solution for you. This not only eliminates inventory but saves time and reduces setup errors. This quick chuck adapter is self-centering. Fits drums and rotors with centering holes from 2-1/4 to 3-3/4" for compact cars. With optional accessories, it can fit from 2-1/4 to 5-3/4" to include all vehicles up to 1 ton trucks.

Lite Dual Chuck Adapter Kit

SKU: 20040

Interchangeable Part Numbers:

Elite Enterprises 20040

MT-RSR Insights:

These aluminum chucks handle a range from 2 1/8" to 5 3/4" centering holes while only weighing 17 pounds for the complete kit. Aluminum makes this kit not only light, but immune to rust! No need to change jaws - Car jaws are on one side and truck jaws on the other side of the adapter.

MADE IN AMERICA

Pin Plate and Collet Set for Wheel Balancer

SKU: 4030-40

MT-RSR Insights:
MT-RSR is now offering a pin plate system with collet set. Most people would agree that the key to balancing any tire is to make sure that it is centered. With the old method of cone and pressure cup you are relying on the hub for centering. With the pin plate system, you are using the lug holes to center. This will avoid misalignment by improper and inconsistent mounting on the balancer. Our kit includes 4 plates with pins and the reference chart. The system is also Made in the USA and Precision machined. When you buy a set of 9 you can use them on a wide range of wheels. If you are having a problem balancing clad wheels, these are the solution! The dual sided design keeps it from bottoming out.

MT-RSR Part Number	Description
4021-40	Pin Plate #1
4022-40	Pin Plate #2

40mm Wheel Balancer Flange Plate Kit

SKU: 4020-40

Interchangeable Part Numbers: Similar to: Snap-On # -1A, Corghi # 900200400A, Haweka # WB4029-40, Coats # 8113841, Hunter # 20-2123-2

MT-RSR Insights:
MT-RSR is now offering a pin plate system. Most people would agree that the key to balancing any tire is to make sure that it is centered. With the old method of cone and pressure cup you are relying on the hub for centering. With the pin plate system, you are using the lug holes to center. This will avoid misalignment by improper and inconsistent mounting on the balancer. Our kit includes 4 plates with pins and the reference chart.

Includes:

MT-RSR Part Number	Description
4021-40	Pin Plate #1
4022-40	Pin Plate #2
4023-40	Pin Plate #3
4024-40	Pin Plate #4
4025	Wide taper Stud (A) for pin plate 3.2 Long"
4026	Small Taper Stud (B) for pin plate 3.7" Long
4027	Round top Stud (C) for pin plate 4.1" Long
4029	Reference chart for Pin Plate system

Low Tapered Collet Set

SKU: 3100-40

Interchangeable Part Numbers: Similar to: Haweka # 51425, Snap-on # EEWB3-4, John Bean # EAK0315G93A, Hunter # 20-1846-1, Coats # 85609499

MT-RSR Insights:
These Collets are made in the USA and Precision machined. When you buy a set of 9 you can use them on a wide range of wheels. If you are having a problem balancing clad wheels, these are the solution! The dual sided design keeps it from bottoming out.

Includes:

MT-RSR Part Number	Description
3101-40	Low Taper Collet 2.00"-2.30" #1
3102-40	Low Taper Collet 2.30"-2.60" #2
